

Foothill 2030: Vision Statement Revise

February 26, 2024

Curiosity

What does this term mean?

Always asking how we can exceed students' expectations.

Wanting to know everything! Not being stuck in thinking, but being willing to listen to others and learn from them.

Curiosity is an idea that takes you towards learning and growth.

A foundation and starting point to where the college wants to go

It's that impulse that drives us to ask questions, seek out new experiences, and gain knowledge

Wondering about

A no-wrong-door approach to education

Five years from now, what would you see, feel and hear if you had valued...

Feeling safe to make mistakes

Taking steps in the bold to move new thought.

listening to and acknowledging different

developing a culture that embraces

A campus

are innovators, risk-takers, thinkers, intel,

developing students/employees

and don't accept if that's not

emotional

How do we get there?

Change in mindset

learning, less emphasis on standard

(in-person and online)

Getting there is by taking a new path

Be curious, ourselves, learning with

moving towards a new direction.

Bringing in
