offer, to support broader discussion. McLeod noted that certain of his students (in Theatre dept.) who have completed coursework for a non-transcriptable certificate don't bother to apply; will try to encourage them to. Campbell suggested drill-down as to which of these certificates are required by outside body or workforce. Emanuel noted that some students put in extra effort to receive Communication Studies certificate.

Campbell mentioned plan for CCC to focus on developing process for creating new non-transcriptable certificates; currently, we have none. Would like, at upcoming meeting, to brainstorm what questions to ask of fac
