

**College Curriculum Committee Meeting Agenda
Tuesday, November 27, 2018**

- ✖ UCs working on creating transfer degrees, similar to CSU's ADTs, specifically for chemistry and physics.
- ✖ Credit for prior learning, particularly when it applies to military experience and training. Plans to bring topic to CCC for discussion and possible creation of policy, later this year.

Armerding will provide update on resolutions at next meeting.

c. Library's OER Website

Foothill and De Anza have an extensive website listing OER materials: [//libguides.fhda.edu/OER](http://libguides.fhda.edu/OER). Please share link with colleagues and encourage them to explore using OER materials.

d. ADT Update

ASCCC passed resolution i

e. Partnership Resource Team Visit

f. Makerspace Coordinator Certificate Approval

8. Stand Alone Approval Request: HORT 401B

Speaker: Ben Armerding
Second

working directly with AS.

Armerding reiterated suggestions of new program proposal form as a first-look for CCC, and resource allocation review early in the process. PSME rep asked if new governance model has a version of PaRCÑ Starer noted currently is The Council, but Pres. Nguyen hoping that other groups will

CCC Notification of Proposed Prerequisites/CeRequisites

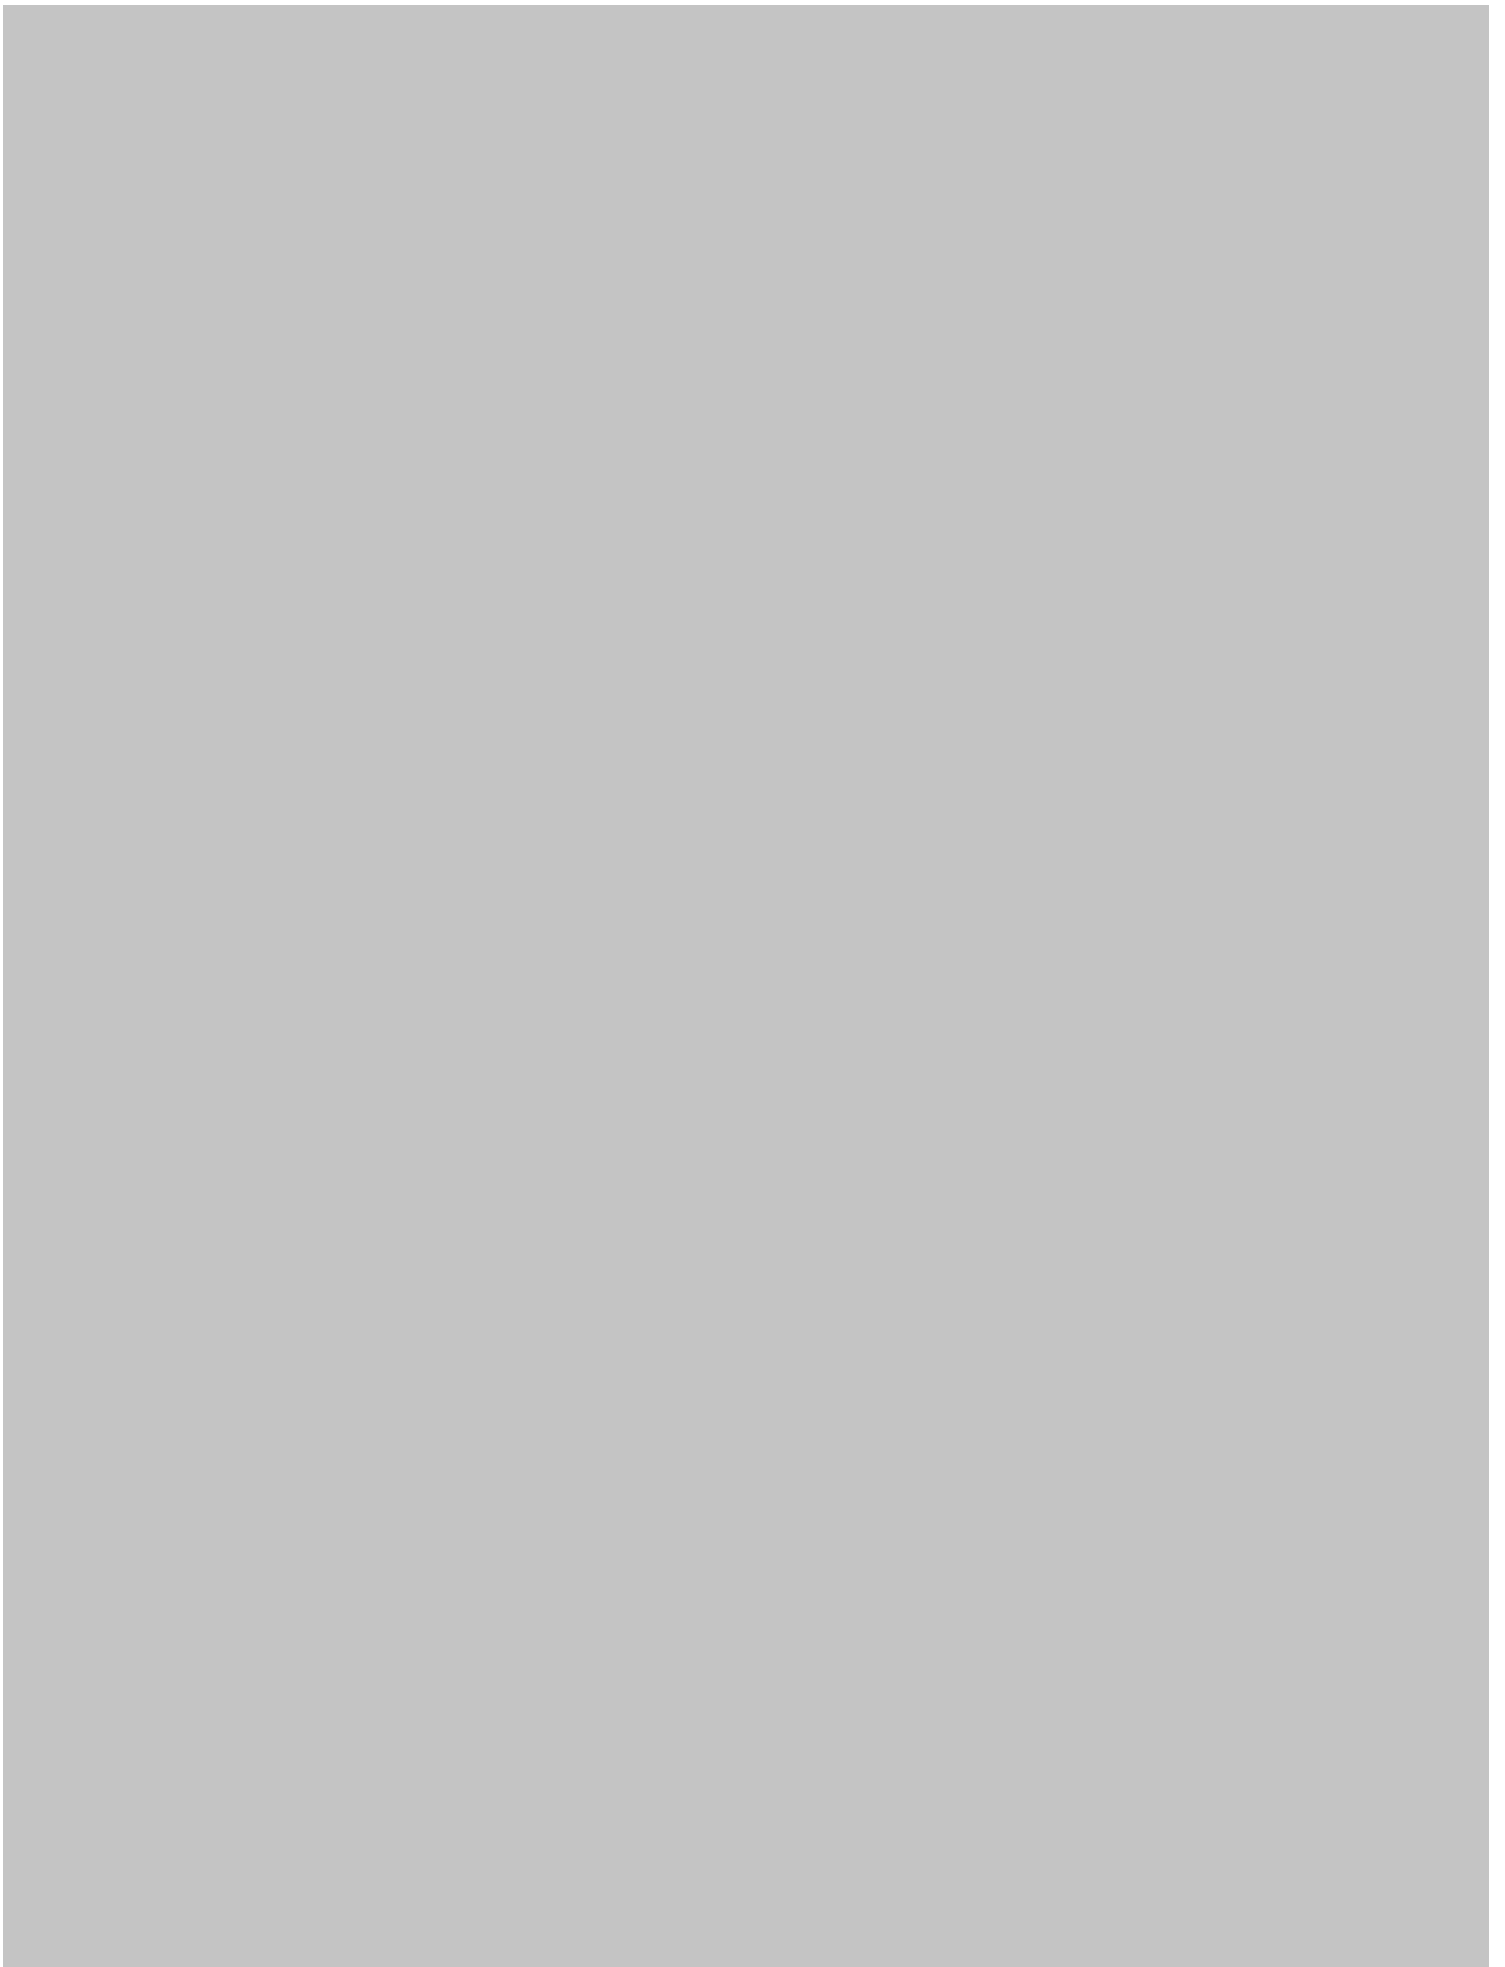

The following courses are currently undergoing review for requisite additions or changes. Please contact the Division Curriculum Rep if you have any questions or comments.

Target Course Number & Title	Editor	Requisite Course Number & Title	New/Ongoing
ENGL 246A: Composition & Reading Supplemental Instruction	S. Chan	Coreq: ENGL 1A or 1AH (Composition & Reading or Honors)	New course for 201920

Ensure you're using the current version of this form by downloading a fresh copy [from the OCC webpage](#)
