March 8, 2019

## News & Announcements:

! CCC approved the following addition to an existing course family in Fine Arts and Communication, effective 2019-20:  
Photography-Professional Practices Family—PHOT 74C Studio Photography Techniques III

! Due to an urgent need by academic departments across campus who are developing new programs, at the March 5th meeting, CCC held a first read of a Temporary Program Creation Process. Credit by Exam

Also at the March 5th meeting, CCC held a first read of a draft process by which a faculty member submits a course to be included in the list of Credit by Exam courses published in the college catalog. Much of the discussion at CCC concerned the potential issue of how to handle a situation in which the instructor of record for a course on the Credit by Exam list does not wish to administer the exam. We value your feedback on this issue, and on the draft in general—please contact your CCC Reps to read the draft or to provide feedback.

! During the March 5th meeting, CCC was informed of questions suggested by the ASCCC, related to the college's consideration of automatically awarding degrees and/or certificates to students. CCC Reps were asked to please consider the following and prepare to discuss at the next meeting: When students are eligible for more than one degree, how would the auto-awarding function? For students with courses from other institutions, how would auto-awarding function regarding these other elements that need verification? Regarding exam credits (e.g., AP, IB, etc.),
