Meeting held virtually via email

Item

1. Resolution to Support Blanket
Distance Education Addendum

Discussion

Speaker: Eric Kuehnl

Kuehnl sent the following email to the CCC distribution list on March 11th:

I'd like to call an emergency vote via email for this Friday 3/13/2020. Under the circumstances, I don't think it will be practical to meet synchronously. However, it is essential for CCC to pass a resolution approving the Emergency Blanket Distance Education Addendum that will be submitted to the state Chancellor's Office to satisfy the requirements included in Title 5, section 55206.

Please note that this request will be considered valid only for the designated time period and does not replace the standard local approval process. The courses included in the addendum will not be approved for distance learning beyond the end date specified in the addendum.
