Kuehnl noted that deans are bringing expertise re: frequency of offerings. Lisle worried that deans having to be the "bad guys" when it comes to scheduling courses. Very concerned about this particular part of the conversation and believes discussions are critical, but at the same time doesn't want to derail the momentum of moving forward with GP.

Kuehnl understands and wonders if this is an issue o

Anza). Mentioned that starting our year in summer has articulation implications, but acknowledged

and will be happy to work with Apprenticeship division. D. Lee asked if division CC meetings considered "regular meetings," noting that Brown Act includes different types of meetings, with "regular meetings" occurring at

# IT Essentials Occupations Labor Market Information Report Foothill College

Prepared by the San Francisco Bay Center of Excellence for Labor Market Research  
May 2021

## Recommendation

Based on all available data, there appears to be an undersupply of IT Essentials workers compared to the demand for this cluster of occupations in the Bay region and in the Silicon Valley region (Santa Clara county). There is a projected annual gap for about 3,764 students in the Bay region and 1,521 students in the Silicon Valley region.

## Introduction

This report provides student outcomes data on employment and earnings for TOP 070100 Information Technology, General programs in the state and region. It is recommended that these data be reviewed to better understand how outcomes for students taking courses on this TOP code compare to potentially similar programs at colleges in the state and region, as well as to outcomes across all CTE programs at Foothill College and in the region.

This report profiles IT Essentials Occupations in the 12 county Bay region and in the Silicon Valley region for a proposed new program at Foothill College.
