CCC Communiqué

News & Announcements:

❖   We've received state approval for the new IT Support certificate of achievement, which was approved by CCC in spring 2021. Congratulations to the PSME division!

❖   At the May 17th meeting, CCC continued discussing the high-priority topic of ensuring equity is incorporated into Foothill course outlines of record (CORs). During this and the two remaining meetDeTc 46T1 (e) -1 (s) 2Tc 46T1 Tf [((d) -1 ( ) -1 (t) [(2) -1 0 (in) 1 (t) 1 (o) 1 ( )]TJET Q 0.24 0 0 0.24 18B.92cm

out ideas. Some groups looked at descriptions from their own courses and considered not just the types of changes which could result in a more equity-focused description but also examples of language already being used in certain descriptions which could serve as good examples for others. Some groups brainstormed ways to best encourage faculty to make meaningful changes to their CORs, including providing clear "before and after" examples of language changes and
