5. New Subject Codes: POLS & STAT	Foothill is being required to begin using these subject codes for courses in Phase 1 of Common Course Numbering. Lee asked if every community college will need to use these subject codes—Gilstrap responded, yes.
6. Stand Alone Applications: MATH 211A, 211B, 247	Second read of Stand Alone Approval Requests for MATH 211A, 211B & 247. No comments. Motion to approve items 6 & 7 (Campbell, Draper).
7. Stand Alone Applications: NCBS 411A, 411B, 447	Second read of Stand Alone Approval Requests for NCBS 411A, 411B & 447. No comments. <i>See item 6 for motion/approval details.</i>
8. Stand Alone Application: SPAN 51C	Second read of Stand Alone Approval Request for SPAN 51C.

Approved, November 19, 2024

for new Area 6. Gilstrap noted only ETHN courses may be included in new Area 6.

Approved, November 19, 2024

responded, first/second read process would help handle that type of situation.

Herman referred back to placement of current Area VI courses and noted a few aren't approved for a second area, so those would be dropped off the new pattern;

	Kaupp will email the reps asking for specific information to be included on Consent Calendar for the next meeting and noted appreciation of the reps for their robust conversations on this topic and willingness to help ensure we're in compliance.
12. Good of the Order	Fong mentioned Fandomcon at San Jose convention center this weekend. Kaupp mentioned campus Wellness Center open to everyone for election-related needs.
13. Adjournment
