- recommending a proposal for use of potentially vacant division offices preferably by une but no later than ec and if proposal requires major renovations to revise college facilities master plan for funding
- year sunset to evaluate by anuary prior to any major expenditure of any bond funds for moves

y overnance emo to you on ebruary st also made a request to the ommunity and ommunication ommittee to explore increase funding for faculty department chairs to bridge the operational and governance activities related to faculty matters he ommittee has subsequently sent me a overnance emo recommending that the college <u>not</u> proceed in such a manner am still deliberating on whether agree with the committee's recommendation and will keep you posted on my final decision

e look forward to the work of the joint study group to recommend potentially a new design for our college using the innovative design thinking approach to create greater interdisciplinary collaboration and community for our college

gain thank you for your recommendation
