

Why Guided Pathways?

Points addressed in the video

Making the Student Ready vs Making Students College Ready

MISSION

The mission of GP is for all parts of the campus community to work together to be student ready by removing structural barriers to learning. We aim to create clear pathways within an equitable system, that includes ample, ongoing support for each student to engage from connection, to entry, through progress, to completion. We recognize the strengths and diverse experiences our students bring to the college and we aim to support their growth as global citizens.
