| Dear Foothill Faculty, |
| At next work is condemined and the masting (June 6th), which is our lest redulet buringers masting |
| At next week's academic senate meeting (June 6th), which is our last regular business meeting of the quarter/academic year!!, we will have on our agenda the selection/appointment of faculty |
| to represent the academic senate on the |
| the communication we all received from the Chancellor's Office (see below) you'll see that we appoint four faculty from Foothill to serve on this search committee. One of those positions is a |
| dedicated FA appointment, and FA has already selected their appointee (thank you Nicole |
| Grav!), leaving us with three remaining "slots." In past practice (and I think this is good practice) he AS President would fill one of those positions, and I'm very excited to recommend and |
| support our new incoming AS President, Voltaire Villanueva, to serve and represent us as well! |
| |
| It will be up to the Executive Committee of the senate at next week's meeting to select and confirm all four appointments, and I know your senators (copied here) would love your guidance |
| as to how the <mark>remaining two posi</mark> tions shall be filled. I have already started receiving some |
| emails from faculty interested in being appointed to this important search committee. To assist the senators in the selection process, I would like to ask any faculty interested in being |
| appointed to rd with the following |
| information: |

Please let me know if you have any questions or comments.

Hope everyone is well,

Kathryn
