The Academic Senate is pleased to announce the call for nominations for the Stanback-Stroud Diversity Award, sponsored again this year by the Foundation for California Community Colleges. This award seeks to honor the cadre of committed faculty who consistently rise to meet the challenges our student's face. Serving the most diverse student population of any higher education system in the country, the California Community College System is largely comprised of demographic groups that have traditionally faced barriers to education and are often underprepared when they reach the classroom. It is the challenge and responsibility of California community college faculty to demonstrate the sustained attention and support necessary to fully engage and excite these students. This prestigious award acknowledges an individual or group that is exceptional in contributing to the advancement of intercultural harmony, equity, and campus diversity at their college.

Basic Information:

- Each college may nominate one faculty member or one group of faculty.
- The winner receives a cash award of \$5,000.
- All faculty are eligible: Full-time and part-time, classroom and non-classroom.
