~~1. Consistent with California law, the colleges shall admit as a student any California resident possessing a high school diploma or the equivalent thereof.~~

~~2. The colleges may admit as a student any of the following categories of persons pursuant to the criteria and conditions set forth herein and in any related administrative procedures enacted herewith.~~

~~(a) Any non resident possessing a high school diploma or the equivalent thereof.~~

~~(b) Any apprentice, as defined in Labor Code section 3077 who is capable of profiting from the instruction offered.~~

~~the school district board and this Board. Notwithstanding any other provision herein, any such special part-time student shall nonetheless be required to undertake courses for instruction of a scope and duration sufficient to satisfy the requirement of law.~~

~~(d) As a special full-time student, any elementary or secondary public school student who by petition has obtained the approval of his/her own school district governing board to so attend on the ground that the pupil would benefit from advanced scholastic or vocational work that would thereby be available, if the College President determine that the pupil could benefit from the course(s) or class(es) sought.~~

~~(e) As a special full-time student, any pupil not attending public school, if the College President determines, upon petition by the parent or guardian of the pupil, that the pupil would benefit from advanced scholastic or vocational work that would thereby be available, but only as to such courses or classes.~~

~~Notwithstanding any other provision here, any special full-time student admitted pursuant to subsections (d) or (e) shall nevertheless be required to undertake courses of instruction of a scope and duration sufficient to satisfy the requirements of law.~~

(f) As a special student in a college sumO

**Each college may determine the age or class level for attendance as a special full-time student. Any student whose age or class level is equal to grades 9-12 is eligible, subject to procedures at each of the colleges, to attend as a special full-time student.**

**Any student enrolled in grades determined by each college may attend summer session, subject to procedures at each of the colleges.**

**The Chancellor shall establish procedures regarding ability to benefit and admission of high school and younger students.**

**Denial of Requests for Admission – If the Board denies a request for special full time or part time enrollment by a pupil who is identified as highly gifted (by their parent school's designated official), the board will record its findings and the reason for denying the request in writing within 60 days.**

**The written recommendation and denial shall be issued at the next regularly scheduled board meeting that occurs at least 30 days after the pupil submits the request to the District.**

**The Chancellor shall establish procedures regarding evaluation of requests for special full time or part time enrollment by a pupil who is identified as highly gifted.**

**Claims for State Apportionment for Concurrent Dual Enrollment – Claims for state apportionment submitted by the district based on enrollment of high school pupils shall satisfy the criteria established by statute and any applicable regulations of the Board of Governors.**

**The Chancellor shall establish procedures regarding compliance with statutory and regulatory criteria for concurrent enrollment.**
