-

Membership &
Meeting Duration

	developed and hire a consultant.	maps and add lighting course like facade of the campus
Lighting Project	2:20pm to 2:30pm Added to Measure G project list. FOAP is being requested and will be set up. Need to have a project charter, lighting study.	Create a subgroup of Joel Cortez, Mike Teijeiro, Audrey Capristo.

2:30pm 2:40pm

-Need to develop check(Audrey Capristo)

Welcoming environment

-Need the focus group feedback from

Procedures/Checklist Valerie needs to be developed

-Warm and Welcoming

-Safe

1355(Issue 5: Lack of a sense of belonging, safety, and space allocation for students of color).

Clean
-Carpet and Paint condition
-Equipment in the space is in good condition and functions well for student use

-Lighting is bright enough

-Coordination to personalize space working with the architectural integrity requirements

	<p>Survey for students and staff for spaces that are welcoming and which ones are not welcoming.</p> <p>Valarie Fong mentioned focus group for Umoja/Puente students that could be useful</p> <p>Improve and maintain grounds, trim and spray for weeds, don't neglect specific areas of the campus. Contract at certain times where there is peak workload (run by the union rep.)</p>	
<p>Outdoor Seating/shade enhancements</p>	<p>2:40pm 2:50pm</p> <p>Discuss areas to add tables, benches, shade umbrellas, etc. Look at PSEC, add shade areas, umbrellas, canopies, turf the quad. Yoga classes in the PSEC Quad! Buy more tables with umbrellas, make the campus pleasant to keep students here.</p> <p>Specific Areas;</p>	<p>Develop a list of areas, items to purchase and estimated budget. Audrey and Diana. Work with MIT Teijeiro for seating with shade. Repaint and add umbrellas.</p>
