5	College Core Values: honesty, integrity, trust, openness, transparency, forgiveness, sustainability	Thuy: The Advisory Council is focused on the education master plan. We have an incredible set of core values. Many people are drawn to the forgiveness. Our values are seen by people who apply to Foothill, and outsiders. One noticeable thing when I came on board were the values that may not have been very spoken in the list of values. One in which

		<p>Information is up on our Advisory page.!</p> <p>These are metrics identified by the Commission.</p> <p>Not sure how the next iteration of goal setting in the direction from the state is going to look like, but something will be renewed.</p> <p>Both the targets and the aspirational goals is part of our midterm report, which comes halfway during our seven-year accreditation cycle, and our report is due in October of 2021.</p> <p>Part of this process is to also report back to the commissioner in terms of where we are in this annual process that we do for them.</p> <p>The state sort of metrics may end in their current iteration, perhaps 2022, which is a great time to check in and see where we are at in thinking of the process of regular review for all our metrics. All these metrics have been approved by the board.</p> <p>Initial targets and goals were set by the college, the</p>

		<p>includes pipeline information, labor market information, dual enrollment information, etc. We also showed him the college scorecard produced by the feds and he then would go to investigate further so we are now as he is asking for some suggestions from IRP about out of all of this are there some that we would recommend would be worth identifying now. There was already a lot that is already being produced and widely publicly available, but I cannot say whether Peter wants to create something new.</p> <p>We are asking Peter to start with what is already</p>
