

MISSION STATEMENT

Believing a well-educated population is essential to sustaining and enhancing a democratic society, Foothill College offers programs and services that empower students to achieve their goals as members of the workforce, as future students, and as global citizens. We work to obtain equity in achievement of student outcomes for all California student populations, and are guided by our core values of honesty, integrity, trust, openness,

2020 2021 PRESIDENTIAL SERVICE LEADERSHIP AWARD

Abhiraj Muhar, *Class of 2021*

ACHIEVEMENT AWARDS

Dean's Award recipients wear a gold cord and have achieved a cumulative grade-point average of 3.5–4.0 at Foothill College.

Honors Scholars have completed a minimum of seven honors courses or 23 units of rigorous courses through the Foothill College Honors Institute. See page 24.

The President's Medal is awarded at the annual commencement ceremony to first-time degree recipients with a 4.0 GPA in all college coursework, including 60 resident units at Foothill.

The President's Service Leadership Award is given to a graduate who has exemplified the highest qualities of leading in the service of others, locally or globally. The award comes with a \$500 scholarship.

CLASSIFIED SPEAKER

PAULINE BROWN UILI, M.A. | Supervisor | Family Engagement Institute

Pauline Brown-Uili is a second-generation Samoan American, born and raised in East Palo Alto, and the oldest of seven siblings. When she was nine, Pauline volunteered with the Foothill College Counseling Department and Pass the Torch. She fondly remembers how Dr. Jean Thomas and her team greeted every student with a smile. Pauline attended Eastside College Preparatory School and studied cell molecular biology at the University of California, Merced. She was the first in her family to receive her bachelor's degree. Recently, Pauline received her Master of Arts in leadership from William Jessup University.

Pauline is dedicated to the work of serving students. She has coordinated many college and community events, emceed student government and FEI events, advised the People of the Pasefika (POP) student club, and mentored countless students. She has also served as a recorder, facilitator, and classified staff member on the Revenue and Resource Council and is an active member in the Asian Pacific American Network (APAN). Pauline enjoys spending time with family, laughing with friends, and serving as a mentor to the youth in her community. She is honored to speak at this year's commencement and wishes all the graduates a huge blessing on their future endeavors.

THE BACHELOR'S DEGREE

Today marks Foothill's fourth graduating class receiving a bachelor's degree in dental hygiene. In 2015, Foothill was one of 15 California community colleges selected to offer a baccalaureate program. Students acquire the necessary skills, knowledge and practice in their field for a fraction of the cost of a four-year university or college. Foothill's dental hygiene program has received accolades from the California Community College Chancellor's Office for the attainment of post-college outcomes in employment, earnings gains and regional living wages. Students may enter the job market immediately or choose to pursue a graduate degree upon completing board exams and licensing requirements.

THE ASSOCIATE DEGREE

Earning the associate degree represents more than an accumulation of units. It symbolizes the successful completion of established patterns of learning designed to develop capabilities and insights. Among these are the ability to think and communicate clearly; use mathematics; understand the modes of inquiry of major disciplines; be aware of other

ALMA MATER

Oh, Foothill we raise our voices in praise
For all of the joys we've known.
Your scarlet and black will welcome us back,
No matter how far we may roam.
By the bay and the blue of Pacific's shore
Lies the campus we'll love forever more.

ACADEMIC REGALIA

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings.
