The Seminar topic will be based on an assigned set of readings for a particular week or weeks of the course and other relevant outside material students may use including NYT online articles. Assignments to groups will occur during the first week of class. ' or leadership of the assigned seminar topic" each, you will present a single Five page outline of the central issues to be explored during the seminar. A copy of this outline (5#t be given to each student by the end of the previous week before the seminar and/or sent to each student online.

Grade for the course will be based on the following:

- 1) Sustained and active participation in all class assignments including all assigned readings: = 75 points.
- 2) Outline & leadership of Seminar topic = 75 points
- 3) Assigned research paper: = 15 points

Grading Schedule: 1st = 27%, 2nd = 21%, 3rd = 21%, 4th = 15%, 5th = 16% points.
