**Success Rate by Gender:** Umoja male’s success rate has improved from 73% in 2016-17 to 77% in 2017-18. Nonetheless, their current success rate trails their female counterpart, 77% vs. 91%. Both their retention rate is roughly the same at 96%.

Table 2: Umoja Success Rate by Gender

|                | Count | Percent | Count | Percent | Count | Percent | Count | Percent |
|----------------|-------|---------|-------|---------|-------|---------|-------|---------|
| <b>2016-17</b> |       |         |       |         |       |         |       |         |
| Female         | 23    | 70%     | 5     | 15%     | 5     | 15%     | 33    | 100%    |
| Male           | 105   | 73%     | 32    | 22%     | 7     | 5%      | 144   | 100%    |
| Unknown        | 1     |         |       |         |       |         |       |         |

**Success Rate by Ethnicity:** Chart 2 compares the success rates of the top three ethnic groups in Umoja. African American success rate in Umoja courses has improved, from 75% in 2016-17 to 80% in 2017-18. However, their course success now lags behind their Latinx and Pacific Islander counterparts.

Chart 2: Umoja Success Rate by Ethnicity

2016-17 enrollments: African American = 88 | Latinx = 44 | Pacific Islander = 21 | Cohort = 178  
 2017-18 enrollments: African American = 118 | Latinx = 95 | Pacific Islander = 25 | Cohort = 249

**Course Success by Low Income:** The success rate for Umoja students who self-reported their household income is \$24,999 or less improved from 73% in 2016-17 to 83% in 2017-18, and their success rate remains comparable to their non-low income counterpart.

### Chart 3: Umoja Success Rate by Low Income

2016-17 enrollments: Low income = 78 | Not low income = 100 | Cohort = 178  
2017-18 enrollments: Low income = 96 | Not low income = 153 | Cohort = 249

For this analysis, to be considered an English pathway completer, Umoja students had to complete at least on3 Umoja English section.

**Pathway Completion Rate:** In 2017-18, Umoja offered ENGL 1S-1T, which had a higher completion rate (74%) than compared to the ENGL 209-110-1A pathway (51%) that was offered in 2016-17.

ENGL 1S-1T generally has a higher completion rate than ENGL 209-110-1A pathway

Low income and student athletes completed ENGL 1S-1T at comparable rates as their counterpart.

Table 4: Umoja English Basic Skills Pathway Completers

**Pathway Completers and ENGL 1B:** Among the 23 students who completed ENGL 1S-1T, 22 students enrolled in Umoja's ENGL 1B section. A little over half successfully completed the course (55%), whereas 23% did not complete and another 23% withdrew.

Persistence examines Umoja students enrolled in at least one Umoja course per term, and tracks them from fall to winter quarter, and from winter to spring quarter.

**Term to term persistence:** In 2017-18, the fall-to-winter persistence rate of Umoja students improved from the prior year, 77% vs. 68%. Ad G[(5)] reW42 792 ET0r92 ET.twinter
