

Black Students and Umoja Counseling Visits in 2019-20

Black students were more likely to see the same counselor even outside of Umoja

Source: FHSARS Registration Analysis & Planning Data (July 1, 2019 through June 30, 2020). *Umoja appointments defined as including Umoja in the comments of the appt. record. Includes non-credit students, recent alumni, and potential students who have a CWID even if did not register for a class. Black: n=457 (171 for table). Other ethnicities (for table): n=3235
