

Completer and skills-building students at Foothill College were surveyed if they met one of the following criteria in 2017-2018, and did not enroll (or were minimally enrolled) in 2018-2019: earned a certificate of 6 or more units, earned a vocational degree, or earned 9+ CTE units. The survey was administered in 2020 by e-mail, text message (SMS), and telephone. The survey addressed student perceptions of their CTE program, employment outcomes, and how their coursework and training relate to their current career. A total of 2391 students were surveyed and 619 (26%) students responded: 22% by email, 63% by phone, and 16% by SMS.

What were the hourly wages of the students before training versus after training?

What were the hourly wages of transfer students and nontransfer students before training versus after training?

Does the similarity between job and program of study influence wage gains?

What is your current employment status?

is the overall change in hourly wages after completing training—in dollars

is the overall change in hourly wages after completing training—in percentage gain
