

Since 2012, the Foothill College Global Medical and Dental Brigades Club has traveled to Central America every summer to provide health and dental care to rural communities, usually in Honduras. Students work tirelessly throughout the year to raise funds and gather supplies necessary for a successful brigade.

In 2020, even a global pandemic failed to dampen the efforts of our Foothill students! While they could not actually travel to Honduras this summer, technology transported 14 Foothill students and 2 faculty via the first ever "Telebrigade." Working with Global Brigades doctors and staff in Honduras for nine days, the telebrigade supported medical consultations and vision screenings in two communities, and provided our students with an immersive experience in Honduran culture, language, the healthcare system, and the challenges plus successes in urban and rural health care settings.

!Thank you to our student co-presidents, \_\_\_\_\_ and \_\_\_\_\_

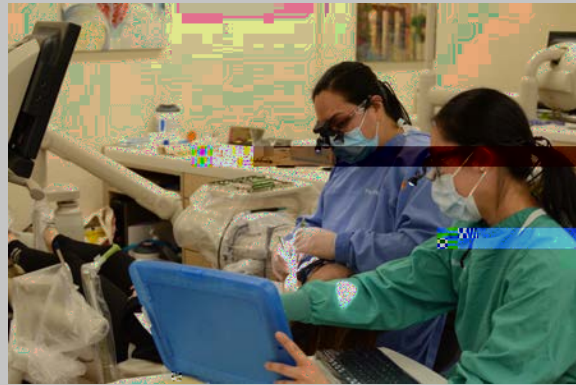

The dental hygiene clinic is open for teeth cleaning and X-rays until Oct. 22. Call 650.949.7335 or email

[\[redacted\]](#) to schedule an appointment.
