individual to team-

time to review data points and provide feedback. There was a suggestion to check-in with Thuy Nguyen to appoint an Administrator tri-chair for the BSW to ensure the position is filled before the Collaborative reconvenes in the summer.

The Equity Programs office is looking to hire a work-study student during the summer to be a liaison between the Collaborative and ASFC. There was a suggestion to contact Daphne Small, as there could be some interest from the newly elected ASFC student government members students. If there are any students who may be interested in this position, please contact Elaine.
