iner ave we ever surveyed how students want to be communicated with ueg White – Yes email was and direct mail

oted that of bulletin boards should be designated for public use

Sias - to build a sense of community - the doc needs to s

ne rumor heard was that people were told that those on the scrow list were definitely going to be layed off istrict is hoping they won't have to go down that road and are buying time to look for other ways for ongoing dollars to protect those positions istrict has not been negotiating salary discussions to save positions. We can't negotiate a budget now because we don't know the scope of what is coming down the road before ay ecause of statutory requirements we had to give notices by arch eed more info from the State and then a negotiations strategy will be developed

Starer – also heard the rumor and also speculating that if we get to scrow and rescind some but not all of the positions what will the process be to determine which ones go forward and which ones are spared Will favoritism be employed

iner – Those conversations would be open and transparent with all units f there are concessions at the table that may be the driving motivation – for "x" number of here are the people we could save

%/*O'4'

, FF@NF: 2! 2FLI

Starer – suggested we should have people show aR the changes we have in anner

avison – tenure was awarded to new instructors at the board meeting onday it will be placed on the website

arker – peration lanning ommittee will meet next Tuesday – is there any assignment from aR Since resource requests are in there isn't anything at this time enhaps the discussion should be what the criteria might be if we can save a portion of the positions – what would that look like as guidelines processes etermination of dates and data will be very important ost loise rrell on the committee and need replacement – also need classified reps

igi – classified are being stretched thin with impending layoffs and banner training demands iner – perhaps we need to reassess where their attendance is most important so that positions on accreditation and aR committees can be covered

nderson – oothill usical Theatre is presenting utnam ounty Spelling ee – have been asked to extend run it is so popular ends this Sunday

ostafa – going to press conference tomorrow arch

We closed the meeting with a moment of silence in memory of Virginia Slayton
