Treanor – atest recommendations and funding sources from S S groups See handout

c Ipin - has been a great learning experience especially since we don't have money

Treanor UTS eeting irection and action of with regard to S s funding recommendation See handout

iner - facilities prioritizations would stay where

Treanor -need to refer back to group for that answer

Spragge – requested a review of the format – wasn't helpful to people who are not familiar with a particular request's rationale or the respective area

Starer – if we renew S RS license we need investigate if it is more appropriate than eeting aker – perhaps we all should use S RS

avison – t is deterrent to participation in any shared governance activities because they the counselors don't see it on eeting aker

iner use coming year to review S RS and see if there are other alternatives. Iso explore a way to block out important times for campus meetings or interface those systems

ay - the main reason they use S RS is because it is the only way to quantify their time with students

iner - strategic value of the request should be first consideration

Spragge – example tutoring is happening across the campus funded different ways some are specialized so the tutoring needs to be looked at as a global issue for all divisions departments

White – everybody is asking for tutors so shouldn't we ask are we spending those dollars effectively

iner – are we then asking a for recommendation approval of this list from S S The endorsement we are looking for would be approval of this list and then return to discussion on the best allocations at this point – especially time sensitive items
