UC TAG Results
Fall 2011

LAST YEAR 2009/2010: A total of 231 TAGs and TAAs were submitted for 224 students.

THIS YEAR 2010/2011: Between July 1 and September 30, a total of 1376 TAGs were submitted to UC for a total of 528 students. Approximately 100 students of the 528 either did not finish the TAG or withdrew. So, approximately 428 students did submit a TAG, which is almost a 100% increase over the previous year (and we still have a few months to go in this year).
