UDGET REDUCTIONS UPDATE (SLATER)

being proposed for

provided a handout. She provided some prior budget history. Reductions 2018.

Foothill already had structural ceficits, went through two imposed workload reductions in 2009-10 and 2011-12, which added to 9 otal workload reductions. We have had one-time funds, but eventually you have to make those conditions to stay in compliance with the 50% law that guards the community college system.

\$3.4 million in cuts were implemented in 2011-12, with Foothill's share being \$2 million. Although it has not **Control** Foothill had available vacant positions and a variety of other choices to
