- Veterans from the Vet. Center suggested hiring a Counselor who is also a Veteran who could help them more effectively.
  - Increasing number of veterans on campus
  - It is time and labor-intensive to serve students from special populations such as DRC and Veterans. We are losing one long-time Veterans counselor and one long-time DRC counselor to retirement. In order to meet Student Success requirements, it is vital that we hire more counselors to serve our students. The number of recent retirements without replacements is staggering.
  - Low priority and should not be allocated.
