New Tech Plan (2015 - 2018) development

Tech Plan is a practical outline for identifying, supporting and developing tech initiatives consistent with the College mission.

Development process

- o Develop the plan based on what students, faculty, staff, and administration should be able to do with technology

- o Get input from senates, VPs, Deans, ETS, Media Center, Librarye.L5 i.L5 ir[p5[s(s)-2(,)4(D)-E

-
-
-
-
- b. New job description for membership in ETAC. Membership is for 2 year terms. The big change in membership desired for 2015-16 is greater faculty representation from Foothill College. Most meetings can be attended via videoteleconferencing.
 - c. ETAC's focus in 2015-16 is the district tech master plan. The District tech plan needs to be directly responsive to college tech plans.
 - d. The difference between ETAC vs TTF was clarified. ETAC is charged with whole district & Central Services while the TTF pertains only to Foothill College.

New Tech Plan (2015 - 2018) development

1. Tech Plan is a practical outline for identifying, supporting and developing tech initiatives consistent with the College mission.
 - a. On April 15th we ha

- o Recommendations including timetable for implementation and action strategies
