could succeedin dourses (like history etc.) When their basic (freading/writing/math) skills not adequate for 1 college level work? This was also the impetus for basic skills initiatives. Some (leducation leaders) wanted 1 to fund dolleges based on student successfers us student in seats. Rich discussed the 2x2 diagram of high 1 accessand high success, its. Ibw accessand low success. California was found to be highly accessible to 1 students, but with lower successnates. 1

1

Rich discussed previous years at De Anza when a large number of counselors were hired (with PFE 1 money) to help students succeed, especially in math. It is deemed successful if 1 students matriculate, or 1

basic skills). Statewide academic senate will show feadership on this issue. Changing majors for students 1 might be a challenge in the 4th sear; students might not finish degrees at CSUs if they get stuck in the 1 wrong major. 1

1

Item 2: Rich Morasci brought forward 1 fesolution to exclude ESLih the student successtask force. 1

Smoking dommittee deport out 1AB795 was discussed, which will allow dommunity dolleges to itssue 1 citations with fines for violations of smoking degulations. 1 1

1 1

Item 6: Scholarships were approved \$3,000 for three scholarships for basic skills, transfer, and career 1 workforce. A question was asked about the scholarship event, and how it thight be thad after those inclusive. 1 Resolution was approved. 1 1
