

FOOTHILL COLLEGE
College Curriculum Committee
Division Curriculum Committee Meeting Report

Division: Library

Date of Meeting: 4 28 2015

Attendees: Agyare, Jones, Thomas, Wilkes

	Action(s)
SLO #1 is “Students will be able to use the library catalog to find books.”	However, since many students use the link to E-Books on the library home page rather than the library catalog to find books, we agreed to change this SLO to “Students will be able to find relevant books in the library (online or in print).”
