1. Welcome and Intro

Approved October 19, 2010

	Cammin was concerned that the Title 5 course update information went to the Deans rather than the CCC Reps. In past practice, Deans have maintained the list of courses and Title 5 review schedule. Holcroft agreed that in future, list may be distributed/maintained by either deans or reps, provided there is good communication between the two.
10. FH General Education Update	Discussion regarding how to proceed with the FH GE pattern approvals. Suggestion was made that any new courses should go ahead and complete applications, but we will proceed with the grandfathered rule thru one more year (so courses on GE list under previous pattern will grandfather in through 11-12). The consensus was to proceed with this suggestion.
11. FH GE Consent Calendar	the courses are approved.
