College Curriculum Committee
Meeting
Tuesday, February 17, 2015
2:03 p.m.
President's Conference Room

Item

7. Registered Apprenticeship College Consortium

Shared that unless we separate the lecture and lab course activities locally, our chemistry department probably wouldn't be interested in accepting the test for credit. In addition, ACE (American Council on Education) has established a set of guidelines for accepting AP credit. Future conversation regarding FH participating in ACE.
Speaker: John Mummert
