President's Conference Room

Item	Discussion
1. Minutes: May 31, 2016 2. Announcements a. New Course Proposals	Motion to approve M/S (Starer, Jones). Approved. Speaker: Isaac Escoto The following proposals were presented: MDIA 13; MTEC 51C, 64A, 85A [note: late request to use a different number for MTEC 85A—will be offered as MTEC 54A]. Please share with your constituents. Comment that MTEC course titles are familiar, and question regarding possibility of duplicate courses—Escoto noted at least one is part of a series; will follow up with division [note: course author stated that these courses all "feature new, advanced content that has (thus far) never been taught at Foothill"].
