4. New Program Application: Instructional Design & Technology Certificate of Achievement.

Question regarding at what point in the process the form should be submitted, and if the CORs should be attached. Agreement that the finished CORs should be available when form is reviewed.

Motion to approve / (Armstrong, Cooper).

:

Second read of new IDT certificate of achievement. Gay Krause and Steve McGriff, from KCI, present for discussion. Question regarding inclusion of PSE 56 on the certificate, as an elective course. Note that course has not yet been approved by the state.

delivery, and/or assessment." Mentioned presentation at senate by those who attended Faculty Teaching and Learning Academy; one shared example of adjusting syllabi to address different types of learning styles. Escoto will reach out to outside groups, including student equity, for ideas on how we can ensure we're addressing equity and supporting each other
