Ha noted that she frequently sends students to meet with counselors to discuss such specifics.</p> <p>PSME rep noted similarity of NCEN 400 to Math Summer Bridge courses; confusion regarding mention of program in proposed description. LaManque noted that “program” should not be used unless degree/certificate program being created (which is not, in this case).</p> <p>Discussions at previous meetings regarding how division CCs can/should review curriculum for equity. Clear need to clarify reps’ responsibilities; could be helpful to bring in folks from outside groups to contribute to ongoing discussion, hopefully next year.</p>
