Strategic Initiatives—Third Round Informed by all feedback

Building A Community of Scholars (aka Student Success)

We build a community of scholars by providing a comprehensive curriculum that is not only informed by the diversity of disciplinary expertise of the faculty, but also by the varied educational objectives of the students matriculating through the curriculum. A community of scholars honors a range of learning styles, and pedagogies. It embraces students where they

Our Purpose

to provide access to educational opportunity for all with innovation and distinction

Our Mission

to provide excellent instruction that leads to the achievement of student learning in promote student learning through basic skills, lower-division general education, lifelong learning, career preparation, and continuous workforce improvement courses to advance California's economy ic growth and to provide for an empowered and engaged citizenry. global competitiveness and

(New proposal in blue below)

A well-educated population being essential to sustaining and enhancing a democratic society, Foothill College commits itself to providing access to outstanding educational opportunities for all of our students. Whether through basic skills, career preparation, lifelong learning, or transfer, the members of the Foothill College community are dedicated to the achievement of learning and to the success of our students. We affirm that our unwavering dedication to this mission is critical to the prosperity of our community, our state, our nation, and the global community to which all people are members.
