This is an excellent opportunity to brush up our English skills to be ready for the placement test. We can learn various language skills during summer time intensively, at the same time, we can be placed on a higher level on the placement test so that we can save time to move on the next path more rapidly. ex) Transfer plan Overall, amazing program! I really appreciate the school and the professors who provide this program to us!

Challenging and enriching

It will be a good learning experience

Learning new things, improving in reading and writing, and maybe grammar. To strengthen the English language, to help us move to a higher English level
