

Overview

Students enrolled in CHEM 1A, CIS 15A, CIS 27A and MATH 1A during Fall 2011 were identified and examined based on demographic and financial aid characteristics. Enrollment in these four courses was 960, with 886 unique individuals. The following tables are included in this mem

- x Student enrollment by gender and ethnicity at course level
- x Student enrollment by individual ethnic groups at course level
- x Student enrollment by time status and gender at course level
- x Student enrollment by time status, gender and ethnicity at course level
- x Financial aid recipients by ethnicity
- x Student enrollment by financial aid, gender and ethnicity at course level
- x Student enrollment by financial aid and time status at course level
- x Underrepresented student enrollment with -

Table 1. CHEM 1A, CIS 15A/27A and MATH 1A by Gender and Ethnicity, Fall 2011.

Gender	Ethnicity	<u>CHEMF001A</u>		<u>CISF015A</u>		<u>CISF027A</u>		<u>MATHF001A</u>	
		Students	Percent	Students	Percent	Students	Percent	Students	Percent
Female	Targeted Groups	23	11%	6	3%	11	5%	17	5%

Table 4. CHEM 1A, CIS 15A/27A and MATH 1A by Time Status and Ethnicity, Fall 2011.

Course	Gender	Ethnicity	Full-time		Part-time		Withdrawn		Total	
			Students	Percent	Students	Percent	Students	Percent	Students	Percent
CHEMF001A	Female	Targeted Groups	9	2%	11	2%	3	5%	23	2%
		Nontargeted Groups	28	7%	41	9%	3	5%	72	8%
	Male	Targeted Groups	8	2%	13	3%	2	3%	23	2%
		Nontargeted Groups	51	12%	40	8%	3	5%	94	10%
	Unknown	Nontargeted Groups	1	0%					1	0%
		CHEM 1A Total	97	23%	105	22%	11	19%	213	22%
