RE: Middlefield Campus Concurrent Enrollment

Overview

Students enrolled in at least one course held at the Middlefield campus in Fall 2011 or Spring 2012 were identified to determine how many of these students were concurrently enrolled at the main campus. Table 1 shows that slightly less than half of the Middlefield students were concurrently enrolled in at least one course at the main campus.

Table 1. Concurrent Enrollment at Foothill Middlefield and Main Campus, Fall 2011 and Spring 2012.
