Institution	Degrees	Certificates	Total Completions
Ohlone Community College	12	0	12
Carrington College California-Pleasant Hill	7	0	7

Target Occupations Demographics

The demographics among those employed in the target physical therapy assistant occupations in the Greater Bay Area for 2013 show that over two-thirds are women (69.8%) and just over half are between the ages of 25-44 (50.8%).

Gender Demographics

Location Quotient

Location quotient (LQ) is a way of quantifying how concentrated a particular industry, cluster, occupation, or demographic group is in a region as compared to the nation. It can reveal what makes a particular region unique in comparison to the national average.

Completers Data

The completers data in this report is taken directly from the national IPEDS database published by the U.S. Department of Education's National Center for Education Statistics.

Institution Data

The institution data in this report is taken directly from the national IPEDS database published by the U.S. Department of Education's National Center for Education Statistics.

Data Sources

This report uses employment data from the Quarterly Census of Employment and Wages (QCEW) reported by the US Bureau of Labor Statistics (BLS) and includes self-employed workers who count their self-employed work as their primary source of income. Non-QCEW workers such as railroad, military and some non-QCEW government employees are not included.
