Valerie Fong, Acting Dean of Language Arts
Paul Starer, Acting Associate Vice President of Instruction & Institutional Research
Andrew LaManque, Interim Vice President of Instruction & Institutional Research
FROM: Lisa Ly, Acting

Table 2: Reason for Not Enrolling in SPAN 111, Winter 2017

Complete the following statement: <i>I did not enroll in Elementary Spanish Conversation II at Foothill College in winter 2017 because...</i>	Respondents	Percent
the course was offered on a day or time that did not fit with my schedule.	3	43%
the section I enrolled in was cancelled.	1	14%
I wanted to take the class with a particular instructor and he/she was not teaching SPAN 111.	1	14%
I could not afford this class.	1	14%
I needed to take a break from Spanish courses.	1	14%
I could not find transportation.	0	0%
I do not need SPAN 111 to satisfy a degree, certificate or transfer requirement.	0	0%
Other	0	0%
Total	7	100%

Interest in SPAN 111 in the Future

- Respondents are interested in taking SPAN 111 in the future—86% of respondents selected yes or maybe: 43% (3) said “yes”, 43% (3) said “maybe” and 14% (1) said “no.”

SPAN 111 Scheduling – Location Preference

- Among the 6 respondents who are interested in SPAN 111, 67% (4) prefer to take the course at *both* Foothill Main and Sunnyvale Center campuses and 33% (2) prefer only Sunnyvale Center.
- No one indicated they prefer only Foothill Main campus.

SPAN 111 Scheduling – Days and Times of the Week

The 6 respondents were prompted to provide their scheduling preference for SPAN 111. Respondents had the option of selecting multiple day/time combinations. For this reason, these 6 respondents generated a total of 36 responses.

- The day/time combination that was selected the most (i.e. by 3 respondents) include: Wednesday afternoon, Friday afternoon and Saturday mid-morning. See table 3 for more details.
- Overall, there is preference to take SPAN 111 on...
 Saturdays (19%), followed by Mondays, Wednesdays or Fridays (each 17%).
 Mid-morning or afternoon (each 36%), followed by evening hours (19%).
 There is low preference to SPAN 111 in the morning or late afternoon.
