Click on "My Profile" on the left-hand side of the screen.

Click on "Change Addresses or Phones".

Click on "Update Addresses and Phones" towards the bottom of the screen.

Click on "Current" for each address type you need to update.

Make the necessary changes and then click "Submit" at the bottom of the page.

We sincerely hope that you will stay in college and continue to thrive. Foothill College will continue to provide the support resources you need to be fully successful. The learning environment has shifted dramatically over the last few months and, while this brings many challenges, Foothill College will support you in this effort. In summary, please reach out to us for help (academically, personally, or financially) and we will do our best to provide everything you need to be successful.

We will be sure to notify you if there are future additional funds available or the federal government approves another student
